

Data Visualization and Bootstrap

Felix Nenno

A small program which visualizes data, creates bootstraps and calculates the bounds

January 30, 2018

I followed <https://github.com/ssamot/ce888/tree/master/labs/lab2>.

1. Scatterplot

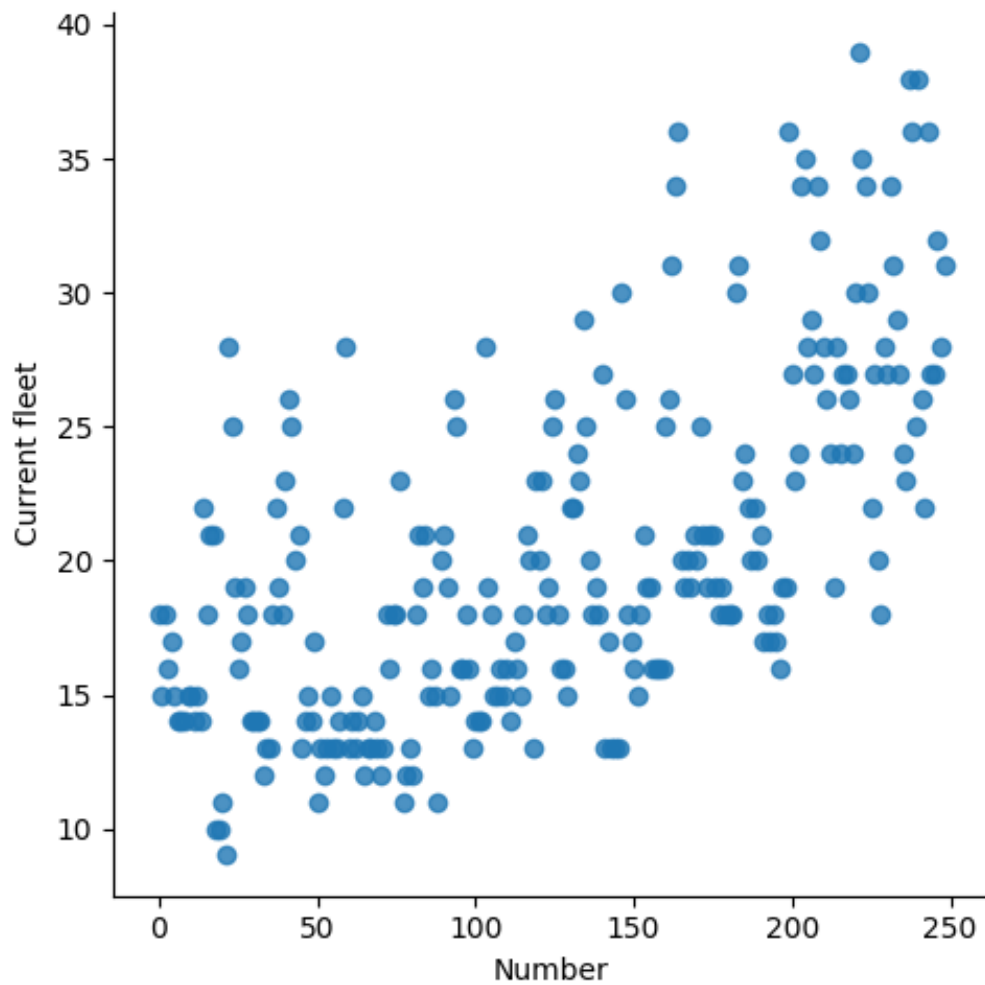

Figure 1: A simple caption

2. Histogram

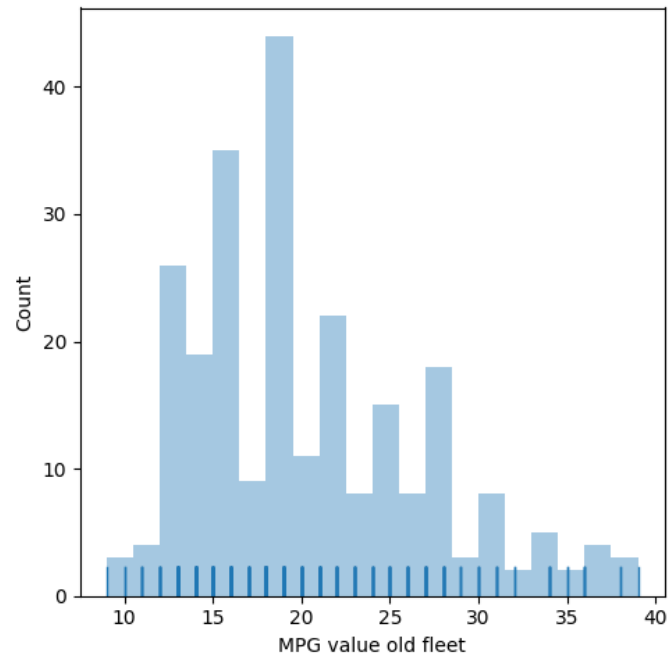

Figure 2: A simple caption

3. bootstrap confidence plot

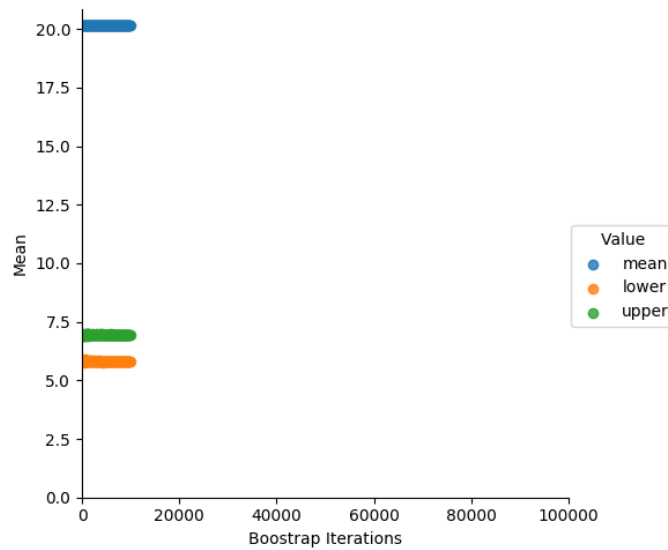

Figure 3: A simple caption
